4 What if I don't have internet access?

Visit any Specsavers store with your staff ID and a staff member can register for your voucher.

5 How do I use these offers?

Present your personalised Corporate Club voucher in any Specsavers store. Vouchers can be printed or shown on a mobile phone.

6 What does the 25% off 1 pair discount refer to?

This discount applies to 1 pair from the \$149 range and above, including standard

single vision, bifocal and multifocal lenses. Please note, the discount doesn't apply to lens options and contact lenses.

7 Can I apply the discounts after I have made my purchase?

No, discounts can only be used at time of purchase.

8 Can I have an eye test completed elsewhere and still use my corporate discounts?

Yes, that's fine.

9 When does the corporate discount start?

Corporate Club discounts will be available from an agreed launch date.

10 Can the discount be used for family members too?

Yes. Employees can generate vouchers for their family members. Your personalised Corporate Club page will have a 'share' link so family members can benefit as well. Family will receive an email notification and are required to register for their own voucher.

11 Can I share a voucher with my family member?

No, each family member must register for their own voucher.

12 Is a notice required if either party wish to terminate the offers?

You can opt out any time, simply send an email to au.corpeyecare@specsavers.com.

13 Can the offers be used for the purchase of safety eyewear?

No.
